

Volunteer Conduct and Termination Policy

Category: Volunteer Management | Policy No: CHA-POL-020 | Effective: 01 Jan 2026 | Version: 1.2

Volunteers who breach confidentiality, safeguarding, or conduct policies may face immediate suspension pending investigation. Minor infractions (e.g., repeated lateness) follow a three-strike verbal-written-termination process. Any termination involving a safeguarding concern must be reported to the board's safeguarding subcommittee within 48 hours regardless of the volunteer's tenure.
