

Data Privacy and Confidentiality Policy

Category: Compliance | Policy No: CHA-POL-004 | Effective: 01 Jan 2026 | Version: 1.2

All patient health records (PHR) are strictly confidential under international NGO data protection standards. Data can only be shared with external partner agencies if explicit written consent is obtained from the patient, or in immediate life-threatening medical emergencies. Digital records must be encrypted both in transit and at rest.
